

Digital Learning and Teaching  
Victoria

# DigiTech for Diverse Learners Regional PD Series

**Modifying the A-D and F-2 digital technologies  
curriculum for a range of abilities.**

**at Bendigo SDS in Kangaroo Flat  
Thursday, 17th October, 9:30am-4:00pm**

For the first time, DLTV (Digital Learning and Teaching Victoria) and AASE VIC (Australian Association of Special Education Victorian Chapter) are partnering to showcase the potential of digital technologies on meeting a range of abilities in the classroom.

We are proud to announce a series of 'hands-on' DigiTech workshops focused on differentiating DigiTech instruction for Levels A-D and F-2 to regional Victorian educators. The cost is minimal thanks to a generous grant from Google.
