CYBERSECURITY: CAREERS AND THE CLASSROOM

Are you an educator interested in Cybersecurity?

Tim Edwards will provide a brief overview of the Australian Signals Directorate's CyberEXP online career awareness program.

This will include background information on ASD's mission, a program overview, importantly its application in the classroom, the instructor dashboard and resources for teachers.

Tim will also share information about the Cyber Teacher professional development program and other resources from LifeJourney.

CYBERSECURITY: CAREERS AND THE CLASSROOM

WEDNESDAY 1 SEPTEMBER, 2021 | 1.30am - 3.30pm

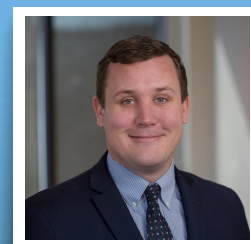

DLTV Training Centre, 61 Blyth Street, Brunswick

\$40 PER ATTENDEE

REGISTER AT  dltv.vic.edu.au/event-4401098

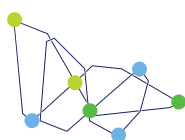

ABOUT THE PRESENTERS

Tim Edwards is the Vice President of Strategic Partnerships for LifeJourney International. His primary focus is working with corporate, university and government partners to develop innovative programs that inspire the next generation to pursue careers in STEM. Tim serves as the Project Manager for the Australian Signals Directorate CyberEXP program.
