# CAREERS IN CYBER SECURITY STUDENT

WEBINAR

▶ WEDNESDAY 3 JUNE 2020 @ 1:30-2:45PM AEST   ▶ DLTV WEBINAR

▶ OPEN TO TEACHERS AND STUDENTS (Y7–12) IN AUSTRALIA

REGISTRATION

This webinar is recommended for Australian students aged Y7-12. Interested schools and teachers can register their classes through:

dltv.vic.edu.au/event-3817792

OVERVIEW

During this session students will learn about different career paths in cyber security by hearing from professionals working at the Australian Signals Directorate. The webinar will feature three professionals with varied backgrounds and experiences providing context of their pathways into the field, skills they utilise, projects they work on and advice for students. The last part of the webinar will allow for a Q&A.
